Dear Mrs Bilger,

Your complaint dated 10.05.2024 against

Martin Wehrmann, lawyer, Hanover,

has been received here and is being examined. After completion of the professional supervisory procedure, we will inform you in accordance with Section 73 (3) of the Federal Lawyers' Act (BRAO). Please note that, pursuant to sections 73 (2) no. 4, 74 (BRAO), the Board of Directors reviews the behaviour of lawyers in terms of professional law. If your complaint is justified, it may issue a reprimand. **This reprimand has no direct legal effect.**

However, the supervisory procedure does not include a legal review of the legal services provided. The civil courts are responsible for this by way of attorney liability proceedings. This also applies in the event that you pursue claims for damages. If necessary, you would have to consult another lawyer.

We would also like to point out that a decision on the matter may take several months, as professional supervision is carried out by the members of the Board of Directors on a voluntary basis.

In accordance with data protection law, we inform you that we will only process personal data in this procedure if you or the lawyer concerned have provided it to us. The complaints procedure will be added to the personal file of the lawyer concerned and deleted in accordance with the provisions of Section 205a of the Federal Lawyers' Act (BRAO). Pursuant to Section 58 of the Federal Lawyers' Act (Bundesrechtsanwaltsordnung), only the lawyer concerned or with his/her consent is entitled to inspect these documents.

Yours sincerely
